Foreword from CEO

AIR has been successfully fulfilling the needs of Indonesia sanitation market for more than 25 years. This journey is keep running because of our customers' loyalty who have trusted in our products & services all this time.

To provide comfort and satisfaction to our customer as our main priority, AIR always pays attention to the quality of every product that we provide. Starting from the selection of export quality product materials along with the affordable price, until the PUB certification to meet everyone's needs & budget with good quality. We also make continuous improvement by creating new design and function of our products with new ideas and technologies to fulfill customer's needs and satisfaction. AIR also provides a good service for our customers by giving three-years warranty for closet shower head leakage and one-year warranty for ceramic cartridge leakage.

Hopefully with our tremendous efforts, AIR becomes the best solution for all people for now and the future, through its quality, price, and limitless design as our motto. **AIR, Your Sanitation Solution.**

AIR telah berhasil memenuhi kebutuhan pasar sanitasi Indonesia selama lebih dari 25 tahun. Hal ini tentunya tidak terlepas dari kesetiaan para konsumen AIR yang telah percaya pada produk & pelayanan kami selama ini.

Demi memberikan kenyamanan dan kepuasan konsumen yang menjadi prioritas utama kami, AIR selalu memperhatikan kualitas dari setiap produk yang kami sediakan. Dimulai dari pemilihan material produk yang berkualitas ekspor, disertai dengan harga yang terjangkau hingga memiliki sertifikasi PUB agar dapat memenuhi kebutuhan & anggaran setiap orang tanpa mengurangi kualitas yang ada. AIR juga terus mengembangkan diri melalui ide & inovasi baru pada desain dan teknologi produk-produk sanitary yang kami miliki, untuk memenuhi kebutuhan konsumen. Disamping kualitas, AIR juga selalu berusaha memberikan pelayanan yang terbaik dengan adanya masa garansi 3 tahun untuk kebocoran kepala bidet dan masa garansi 1 tahun untuk kebocoran stang keramik.

Kami berharap melalui apa yang kami lakukan, AIR mampu menjadi solusi sanitasi yang terbaik bagi seluruh orang untuk sekarang dan kedepannya. Melalui material yang berkualitas, harga terjangkau, dan desain yang tak terbatas sesuai dengan motto kami, AIR Solusi Sanitasi Anda.
