# SPRING & SUMMER

Introducing our "Spring & Summer" collection,  
a vibrant fusion inspired by the refreshing spirit of spring and summer.  
Aligned with our brand's commitment to being a fashion-forward trendsetter,  
we present a diverse range of ceramics for floor and wall applications.  
This collection, featuring various sizes and colors, not only fulfills fashion desires  
but also sets new trends in the world of design, catering to a multitude of design preferences.

# OCEAN

INSPIRATION

Drawing inspiration from the mesmerizing depths of the ocean, our collection encapsulates the fluid elegance of water stream patterns, the tranquil hues of aquamarine, and the vibrant richness of coral colors found beneath the waves, creating a unique and captivating aesthetic.

# SUNRISE

I N S P I R A T I O N

Bathed in the brilliance of spring and summer days, our collection draws inspiration from the play of sun rays, the interplay of shadows and light, and the warm hues of morning, capturing the essence of bright, vibrant seasons in every motif.

# RAIN FOREST

## INSPIRATION

Immersed in the lush tapestry of the rainforest,  
our collection is inspired by  
the verdant green hues,  
the organic textures of woods,  
and the grounding presence of stones  
found amidst the rich foliage,  
bringing the natural beauty of the rainforest  
to life in every motif.
