

125TH

ANNIVERSARY

LIMITED EDITION

A King Koil bed is displayed in a grand, gothic-style cathedral. The bed features a dark brown tufted headboard and footboard, a white quilted top, and a dark blue and gold patterned base. It is adorned with several pillows in beige, dark blue, and gold. The room has high stone ceilings, large arched windows with intricate tracery, and ornate wall sconces. A large, ornate chandelier hangs from the ceiling. The floor is made of large stone tiles.

THE LUXURY INSIDE

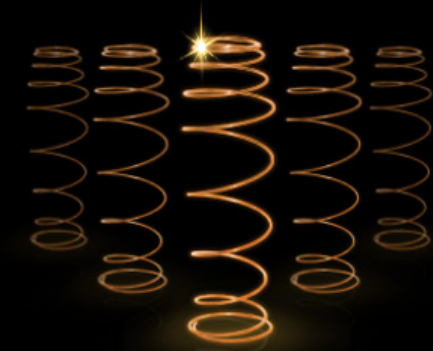

Leathercraft

A trace of genuine luxurious leather is beautifully ingrained in this 125th Anniversary edition mattress handles and label, giving an elegant and classic touch that showcases a pure essence of the finest craftsmanship.

Graphite Infused Talalay®

The exclusive variant of Talalay® Latex for King Koil®'s limited 125th Anniversary edition mattress. This unique material is infused with graphite to enhance its moisture and heat absorption ability, assuring an ideal environment to elevate and present you with the finest sleeping experience.

Auto Response Gold Coil™

Advanced coil technology that reacts accordingly to your body weight by providing proper personal comfort level. Meticulously designed to give the automatic needed responses to either light or heavy pressures while still providing the finest support.
