Where magic meets style

On this enchanting journey,
MAGIA GRANITE's 2024 Collection
is a narrative of magic, style,
and the seamless fusion of both.

Bring the enchanted magic alive with MAGIA

MAGIA bring the magic touches for every space. Enhance your interior with our tiles collection, adorn your personal space in your own unique style.

MAGIA offers various distinctive & stylish collections, especially crafted to exudes your personal ambience.

For those who are seeking self-expressions through interior design, MAGIA GRANITE will bring out the magic inside you.

QUALITY & DESIGN

High Gloss

Polished surface with high-gloss finish intensify the luxurious style with mirror-like and reflective surface.

High Scratch-Resistance

Enhanced long-lasting beauty with resistance from various types of damage such as scratches, gouges, wear and other flaws.

Durable

MAGIA granite is created with high quality material and procedures to make a tough and highly resilient finished products.

High Precision

MAGIA granite is created with high accuracy measurements and easy-to-apply.

Easy to Clean

Retain the luxurious beauty with smooth surface which is generally stain-resistant and easy to care.

Italian Style Design

MAGIA granite designs are inspired by the beauty of Italian natural stones.

DESIGN VARIATIONS / VARIASI DESAIN

Uniform Appearance Tampilan Seragam

Tiles have uniform shade and texture with low, minimal variations.
Minimal variasi antar ubin granit, tidak terlihat mencolok, hanya polos tanpa desain.

Slight Variation Sedikit Perbedaan

Tiles have slight variation in shade and texture.
Ada sedikit perbedaan nuansa antar ubin granit, *single face* atau *multiple face*.

Moderate Variation Cukup Berbeda

Tiles have moderate variation in shade and texture.
Ada perbedaan nuansa warna, tekstur, motif serta *tone* terang-gelap antar ubin granit yang lebih terlihat pada setiap keping.

CUTTING & ACCESSORIES / POTONGAN & AKSESORIS

Edge Profile Profil Tepi

PLINT | 30 X60 cm

A standard basic edge profile.
Standar profil tepi biasa.

STEPNOSING | 30 X60 cm

An innovative design to provide added safety and comfort on stair treads. Each piece of Stepnosing for stairs features grooves to provide anti-slip features, ensuring that those stepping on the stairs are less likely to slip or fall.

Desain inovatif untuk memberikan keamanan dan kenyamanan tambahan pada tapak tangga. Setiap bagian Stepnosing untuk tangga dilengkapi alur untuk memberikan fitur anti slip, memastikan mereka yang menginjak tangga kecil kemungkinannya untuk terpeleset atau terjatuh.

Please contact our sales representative to check on the availability of special cutting.

Silahkan menghubungi perwakilan sales kami untuk mengetahui ketersediaan potongan & aksesoris spesial.
