FACTORY INTRODUCTION

Over the past 40 years, SUN POWER CERAMICS has evolved from a small tile company to a global manufacturer and distributor for design solutions. With showrooms in Taiwan and Indonesia, Sun Power Ceramics is a luxury lifestyle brand that will make your next project's dream design a reality.

Sun Power Ceramics was founded over 40 years ago in Taiwan. Since then, they have provided architectural and design solutions to consumers with continuous innovation, quality, and service. Mr. Chang's family, who originally founded Sun Power Ceramics back in 1976 - started from building the tiles factory in Taiwan. In 2002, building another factory in Bangladesh, and the latest factory build in Indonesia in 2012, still runs it today under the same core values of work ethics and integrity.

1976

Mr. Chang-Ran then started to focus his business on ceramic distribution than during that time, he decided to enter the tiling fields.

1979

Mr. Chang and his family started Sun Power Ceramics as their own ceramic tile distribution company to gain more insight into ceramic tiles.

1994

Sun Power Ceramics started venturing into manufacturing full body porcelain tiles in Taiwan. This was the core product until start to produce porcelain and ceramic tiles.

1997

Sun Power Ceramics received the prestigious award as the best contribution to the country from the Taiwan government.

2002

A great interest in technological development and was aligned with growing market expectations, Sun Power Ceramics start to build another factory in Bangladesh.

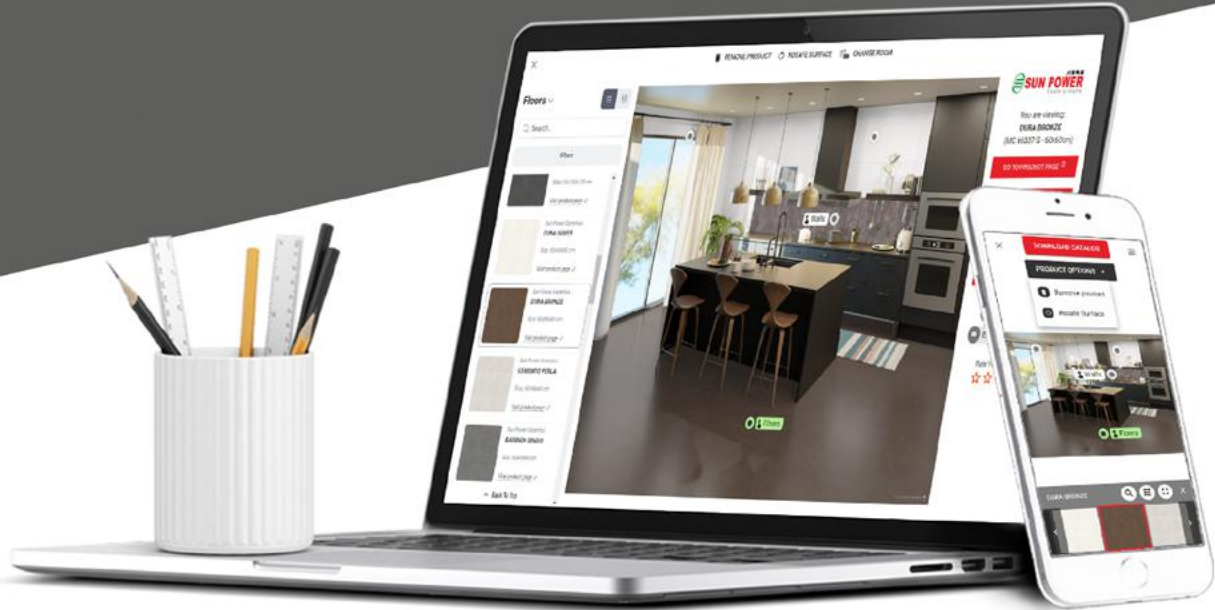

2012

Equipped with modern SMD facilities, Sun Power Ceramics open a new plant in Indonesia for continuous product innovation, keeping in pace with technology and global trends.
